The program will be in effect through December 31, 2026.

Â

Vantage Corp CEO Andre Dâ€™Rozario commented: â€œGiven the recent volatility in our share price, we believe our stock is significantly undervalued relative to the strength of our fundamentals and long-term growth prospects. Our financial health remains strong, and we continue to see significant opportunities ahead to drive sustainable, long-term growth and value for our shareholders.â€

Â

Under this share repurchase program, the Company may repurchase shares from time to time through open market purchases at prevailing market prices, privately negotiated transactions or by other means, in accordance with applicable securities laws. The actual timing and number of shares repurchased will be determined at the discretion of the Companyâ€™s management, based on several factors, including market conditions, the market price and trading volume of the Companyâ€™s Class A ordinary shares, other investment opportunities, legal and regulatory requirements, business outlook, and capital allocation priorities, etc. The share repurchase program does not obligate the Company to repurchase any specific number of shares and may be suspended or discontinued at any time.
